

## LET'S TAKE A LOOK (at Choir Attendance)

Did you know that we had 30 people on our choir rolls?

Want to guess what our average attendance was for the past 5 months?

FEBRUARY:

Choir Members—18

Leaders—3

MARCH:

Choir Members—17

Leaders—3

APRIL:

Choir Members—15

Leaders—3

MAY:

Choir Members—17

JUNE:

Choir Members—15

I would like to challenge our choir to get "out" of their "TEENS" and become a "TWENTY-SOMETHING".

WHAT DOES THAT MEAN? (I'm glad you asked).

That means 2 things:

- 1) Inviting at least 3-5 choir members that aren't coming regularly AND/OR
- 2) Inviting 3-5 NEW members who haven't sung in choir before.

The best recruiters are YOU! And of course, I'll do my part as well. Let's see if we can work to make this happen over the next few months.
