## Ten Principles for Music Ministry Members— Part 4 of 10

Adapted by Michael Adler

The first of ten principles for Music Ministry Members is:

1. You are not singing or playing because you are good.

The second is:

2. Being Seen or Recognized is not Your Ultimate Goal.

The third is:

God is a God of Order, not Confusion.

The fourth is:

Your music will not be what determines your success:

Millions of people can produce great music. God once made a donkey talk! Your success will be dependent

only on your love for God, people and each other. The Biblical definition of greatness is servant-hood. I John 3:23 says, "This is His commandment, that we believe in the name of His Son Jesus Christ, and love one another, just as He commanded us."

Philippians 1:9-11 says, "And this I pray, that your love may abound still more and more in real knowledge and all discernment, so that you may approve the things that are excellent, in order to be sincere and blameless until the day of Christ; having been filled

with the fruit of righteousness which comes through Jesus Christ, to the glory and praise of God."
