Ten Principles for Music Ministry Members— Part 5 of 10

Adapted by Michael Adler

The first of ten principles for Music Ministry Members is:

1. You are not singing or playing because you are good.

The second is:

2. Being Seen or Recognized is not Your Ultimate Goal.

The third is:

God is a God of Order, not Confusion.

The fourth is:

Your music will not be what determines your success.

The fifth is:

Participation in this ministry is no substitute for Bible study,

tithing, or serving as God leads in other necessary functions of the church:

Your personal spiritual growth depends on your relationship with God and His church. Your ongoing fellowship, sacrificial giving and consistent Bible study will enable you to properly relate and contribute to the movement and ministry of this church.

Hebrews 10:24-25 says, "And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another—and all

the more as you see the Day approaching."
